

Consent to Use/Release Photograph

To Whom It May Concern:

The undersigned hereby authorizes the Deer Park Independent School District to use or release any photograph of _____ made in conjunction with the instructional and/or extracurricular activities of the district and used to promote and/or publicize the educational program of the Deer Park Independent School District. This authorization is given without expectation of compensation or approval rights for the use or release of any such photograph.

Internet Use:

Deer Park ISD is in a constant process of updating web pages and the DPISD Internet site includes pictures of students engaged in learning activities. These student pictures are not identified in any way. (Exception: Some organization pages may include a student's name when a parent has given specific permission to do so.)

Should your child's photo be chosen for publication, your signature on this portion of this form acknowledges your permission for the photo to be published on the DPISD Internet pages. The DPISD Internet site is found at the following address: <http://www.dpisd.org> Please note that the pictures of students will not be placed upon the Internet Site until a signed release from the parent or guardian is on file.
